QUINTA DO PORTAL  
**GRANDE RESERVA 2007**

VQPRD DOURO RED

The **2007 GRANDE RESERVA**, Touriga Nacional dominated (60%) with 30% Tinta Roriz and 10% Touriga Franca is, like its Reserva counterpart in this vintage, probably a pretty good candidate for the best Portal has to offer in the brand. The winery had a very fine 2007 vintage. Exuberant and fresh, lovely, dense and aromatic, this is simply a beautiful wine, gorgeous and delicious, but also well structured and ageworthy. It is fulfilling all the promise I originally saw in it. It is not done developing yet. There were 25,614 bottles produced, along with 109 magnums.

Drink now-2027. *eRobertParker.com* #204 – Dec 2012
